

To take the online reputation survey through Doximity.com you must:

- ❑ Be board certified in certain specialty areas.
- ❑ Have claimed your Doximity profile by 12/1/17.
- ❑ Log in to [Doximity.com](https://www.doximity.com) or open the Doximity app that is available at iTunes or Google Play. You should see a graphic similar to the above.
- ❑ New board certifications have been added to the list of those eligible to vote in this year's survey. They include: neuroradiology, vascular surgery, pediatric neurosurgery, transplant hepatology and interventional cardiology.
- ❑ Nominate up to 5 hospitals in your specific adult field and up to 10 pediatric hospitals, irrespective of expense or location, which you consider best for patients with serious or difficult conditions. Only one nomination is required.
- ❑ The order that you list the hospitals does not affect the ranking.
- ❑ The survey will close on March 22. Check your eligibility at Doximity.com and cast your vote.
- ❑ Some non-Doximity users may receive a paper survey in the mail.
- ❑ If you experience any problems, email usnews@doximity.com.

U.S. News Best Hospitals Nominations
Nominations open Mid February 2017

You are eligible to participate and will receive an email when the nomination period begins.

The *U.S. News & World Report* reputation survey accounts for 27.5 percent of total ranking score
